

<p><b>Title of the project</b></p>	<p>West Sussex Frailty Project</p>
<p><b>Sponsor Name, Title, Host Organisation</b></p>	<p>Daniel MacIntyre, Head of Service, West Sussex County Council</p>
<p><b>Explain the project in one sentence</b></p>	<p>Ensuring alignment of activity to prevent, delay and reverse frailty and improve outcomes for older people across the West Sussex health and care economy</p>
<p><b>Tell us about the project and sponsor in no more than 175 words</b></p>	<p>West Sussex has one of the oldest populations in England and this is set to grow, with many of these older people living with multiple morbidities, dementia and frailty. Tackling frailty is an emerging strategic priority, both nationally and for West Sussex health and care organisations as identified by the Sussex and East Surrey STP and West Sussex's new Health &amp; Wellbeing Board Strategy.</p> <p>You will be situated in West Sussex County Council Public Health team working with system partners developing and supporting an implementation plan for the Ageing Well section of our Health &amp; Wellbeing Board Strategy linked to the STP and ensuring that activity is aligned to maximise health outcomes.</p> <p>Specifically - while much frailty activity is focussed on the acute sector, this is an exciting opportunity to focus in on primary care and strengthen links to assets in the</p>

	<p>broader community. This would include making use of the opportunities arising from the use of the electronic frailty index in general practice which identifies patients is living with mild moderate or severe frailty.</p>
<p><b>What skills or attributes are you looking for in a fellow?</b></p>	<p>Knowledge around older people’s health and care  Some understanding of current policy, commissioning and organisations / professions involved with and relating to the care of older people  System leadership skills across a complex organisational landscape  High level of partnership and engagement skills – able to work with people at all levels  Evidence - ability to critically appraise, translate and scale up into practice.</p>
<p><b>Who to contact? (Please include a brief bio, contact details and photo)</b></p>	<p>Daniel MacIntyre</p> <p>Daniel MacIntyre is Head of Service with West Sussex County Council where he is responsible for the Ageing Well workstream. He is also Public Health England’s national policy / technical expert on falls and fracture prevention.</p> <p>Email: <a href="mailto:daniel.macintyre@westsussex.gov.uk">daniel.macintyre@westsussex.gov.uk</a>  Tel: 07784208107</p>
