

<p>Title of the project</p>	<p>A System wide approach to Infection Prevention and Control (IP&C) across Surrey Heartlands</p>
<p>Sponsor Name, Title, Host Organisation</p>	<p>Eileen Clark Deputy Director for Quality and Nursing Surrey Heartlands CCGs</p>
<p>Explain the project in one sentence</p>	<p>This project aims to explore, design and recommend system wide solutions that support an overall reduction in Healthcare Associated Infections (HCAI) and benefits every citizen living and working in the Surrey Heartlands area.</p>
<p>Tell us about the project and sponsor in no more than 175 words</p>	<p>Reduction in HCAI has been an ambition but a wicked problem that has prevailed across Surrey Heartlands for years. Although there are highly skilled IP&C and Public Health specialists working within local provider and commissioning organisations, it is recognised that there needs to be new approaches to this problem across the whole system to achieve the ambitions outlined in the 5YFV.</p> <p>As Integrated Care Partnerships evolve and multiple & diverse stakeholders come together to deliver care for their local citizens, this project aims to explore, design and recommend a system wide approach to IP&C and the co-design of self-management processes with citizens.</p> <p>As sponsor, I am a Nurse who has worked as a system leader in both community and acute services and am currently Deputy Director for Quality and Nursing across the Surrey Heartlands CCGs. I am a people person who enjoys supporting people in</p>

	<p>developing their careers. I love being (constructively) challenged and would enjoy working with you on this programme to find solutions to our wicked problem.</p>
<p>What skills or attributes are you looking for in a fellow?</p>	<ul style="list-style-type: none"> • Enquiring mind • Innovative mind-set • Integrity • Diligence • Ability to engage collaboratively • Resilience • Sense of humour!
<p>Who to contact? (Please include a brief bio, contact details and photo)</p>	<p>Eileen Clark – Deputy Director for Quality and Nursing Surrey Heartlands CCGs 01372 201584</p> <p>Eileen.clark3@nhs.net</p>  <p>Eileen Clark is the Deputy Director of Quality and Nursing across Surrey Heartlands CCGs. She is a Registered General Nurse and has worked in both acute community services qualifying as a District Nurse and subsequently as a Nurse Practitioner. The majority of her career has been spent within Community Provider Services both as a clinician and more recently as a Senior Operational Manager.</p>

As a Clinician and more recently within her commissioning role, Eileen has had many years of experience of working across organisational and professional boundaries to improve clinical pathways and have a positive impact on patient safety and experience.

Eileen has complemented her clinical work with academic study, completing a Master in Business Administration in 2007 and is currently participating in the Nye Bevan Leadership Programme which is run by the NHS Leadership Academy.
