Who to contact? (Please include a brief bio, contact details and photo)

**Liz Fidler FAPharmT
Associate Dean – Quality**

Liz is leading the development of a Quality Team for HE KSS. The Quality team will be operational from 1st December 2018. Liz will be responsible for developing and leading a successful team, who will utilise a range of sources such as the HEE Quality Framework, Quality Surveillance Groups, NHS England, NHS Improvement, trainee feedback and stakeholder engagement. We will be promoting and supporting Local Education Providers with delivering quality education programmes in clinical learning environments. The ultimate focus is to enhance patient and trainee experience in a challenged NHS.

Liz has worked in HEE at on national, regional and local projects.

Jane Butler – Head of Transformation

Jane is a Registered Nurse who has worked in a range of senior clinical, managerial and education roles in the NHS and in higher education. She currently works for Health Education England working across Kent, Surrey and Sussex as Head of Transformation, with responsibilities for supporting the education and training of healthcare professionals. She leads a team delivering region-wide workforce transformation projects and has close working links with providers of NHS care and education partners.
