

<p><b>Title of the project</b></p>	<p>Confronting Frailty: The Key to Transformation</p>
<p><b>Sponsor Name, Title, Host Organisation</b></p>	<p>Dr David Supple Brighton and Hove CCG Clinical Chair</p>
<p><b>Explain the project in one sentence</b></p>	<p>The development of a comprehensive community based Frailty strategy based on joint working with a wide range of key stakeholders from across the local health and care and social system.</p>
<p><b>Tell us about the project and sponsor in no more than 175 words</b></p>	<p>An exciting opportunity to play a key role in developing a wide ranging strategy for frailty incorporating learning from national guidance in the context of local challenges and resources.</p> <p>Working with Public Health, the Local Authority, Providers and the Medical School as well as CCG colleagues will provide a stimulating, varied environment for learning and personal development. We are confident this project will not only make a real difference to local health and wellbeing but also provide the fellow with essential skills for future work in many diverse roles.</p> <p>The sponsor, David Supple is our local CCG Clinical Chair. He has been a GP for 28 years as well as a GP Trainer and VTS Programme Director. He has supported trainees in Innovative Training Posts and is passionate about GP education and development.</p> <p>David has close links with the local authority, public health and other key local and regional stakeholders and will be in a position to ensure a rewarding environment with an appropriate balance of supportive challenge within a dynamic and enthusiastic CCG.</p>

<p><b>What skills are you looking for in a fellow?</b></p>	<p>A healthy blend of pragmatism and enthusiasm.</p> <p>Good communication skills.</p> <p>Insight into challenges and rewards of working closely with a wide variety of colleagues as well as the public.</p> <p>Willingness to use both 1:2:1 and group experiences for learning and development.</p> <p>Comfortable with independent working but aware that as with all participants in this project, sharing of dilemmas as well as offering and receiving challenge will be key factors in both the success of the project and personal development.</p>
