<b>Tell us about the project and sponsor in no more than 175 words</b>	<p>First Community is a CQC outstanding organisation. We are a community interest company set up in 2011 to deliver community health services for children and adults in east Surrey and parts of West Sussex.</p> <p>Over the last few months, with our local partners across health and social care, we have been developing a multi-speciality community partnership to improve how services are delivered and joined up to benefit patients, the community and wider health and social care system. This MCP is part of a wider STP programme to shift care from hospital to community so people are cared for closer to home.</p> <p>The Darzi fellow will play lead role in one of the key areas for improvement within the MCP to join up integrated community services provided by First Community and social care provided by Surrey County Council in a person centred approach.</p>
